* Use the Suit Guide & Order Form in the Custom Measuring Guide to design, accessorize, insure and record your measurements to complete your order.

Free Consultations!!

Call if you have questions, we are here to help. Or if you would like us to help guide you step by step through the Measurement Process, give us a call to set up an appointment for a Zoom or similar meeting.

SM12 Mark 3 One Piece Moto Suit

Custom Twin Zip
or One Piece Suits
starting from
\$1,749

The new SMO2 featuring CE approved armor and a double zipper entry system has set a new benchmark for excellence in super moto racing suits. Standard features include POWERSTRETCH - a VANSON™, specifically woven aramid and high tensile nylon stretch fabric.

SM22 Mark 3 Two Piece Moto Suit

Custom Single Zip
Two Piece Suit
starting from
\$1,749

Same as the one piece Super Moto suit but with the convenience of a full circumference zipper to lock the jacket to the pants. Only available as a single front zippered jacket.

Standard Features

- 1. PROper™ Ventilation Panels** The front panels of the suits are perforated for flow through ventilation. This feature combined with a perspiration wicking mesh lining will help to keep you comfortable even on the hottest day.
- 2. VANSON™ Powerstretch™ Panels** - Our Powerstretch™ panels allow for a snug fit with excellent ease of movement. Powerstretch™ has an extremely high tensile strength. This combined with a stretch material results in comfort and strength where you need it most.
- 3. Double-Zipper Front** (Patented) for ease of entry and a smooth aerodynamic fit. Side alignment of zippers allows for tighter tuck on bike, and eliminates "bunching" for a better fit.
- 4. Zip-Free Washable Lining** No more stinky leathers! Now you can unzip the perspiration wicking mesh lining at the arms, legs and along the torso for partial removal to wash and dry (lining remains attached at ankle and cuffs).
- 5. CE Approved** Vantech armor-shoulders, elbow/forearms, knee, hips and backpad with high flex to allow a greater range of motion while retaining a high level of safety.
- 6. Combination** of leather and textiles for increased safety while providing a lightweight fatigue reducing motard garment.
- 7. Extra Large Stretch panels** in shoulders, back, and knees for maximum range of motion.
- 8. Expanding Waist** is standard on the SM22. The waist has adjustable elastic straps with velcro that will give you a perfect fit when pants are not attached to jacket.

Select Options SMO2 & SM22 Super Moto Suits

Select the options to be added to the basic suit as needed from those listed. Lettering and custom graphics will be specified in later pages.

#	Description of option	Price \$
AIR-BAG OPTIONS + PARTS
